QUALITY POLICY

STRAVIK Construction Group is committed to delivering construction projects that meet or exceed our clients' requirements, applicable codes and contract specifications — safely, on schedule and within budget. BUILT STRONGER. is our standard for every structure we deliver.

OUR COMMITMENTS

- Understand and meet client, statutory and regulatory requirements on every project.
- Plan quality into every phase through Project Quality Plans, Inspection & Test Plans and inspection-gated hold points.
- Select, qualify and monitor subcontractors and suppliers who share our standards.
- Measure performance against quality objectives and act on nonconformities promptly and permanently.
- Provide competent, trained people and the resources they need.
- Continually improve the effectiveness of our quality management system, which is aligned with ISO 9001:2015.

QUALITY OBJECTIVES

Quality objectives are established annually in STV-GOV-PLN-007 and reviewed at management review (STV-CIP-PRO-001).

COMMUNICATION

This policy is communicated to all employees and subcontractors, posted at the corporate office and on jobsites, available to interested parties at www.stravikgroup.com, and reviewed annually for continuing suitability.
