

QUALITY POLICY

STRAVIK Construction Group is committed to delivering projects that meet or exceed our clients' requirements — built right, on schedule and built stronger.

WE COMMIT TO:

- Understand and meet client, contract, statutory and regulatory requirements.
- Plan quality into every phase: preconstruction, procurement, construction and closeout.
- Inspect and test the work, control nonconformances and fix root causes.
- Select and manage qualified subcontractors and suppliers.
- Train and empower our people to take ownership of quality.
- Set measurable quality objectives and review them through management review.
- Continually improve our Integrated Management System, aligned with ISO 9001:2015.
